## IPSWICH TOWN COMMUNITY TRUST – COACHING OPPORTUNITIES

Ipswich Town Community Trust, a charitable organisation that works hard to make a difference in our local community, to children, young people and adults from across the region, by providing opportunities to participate in a wide variety of sporting activities.

Using the powerful medium of sport and our links with Ipswich Town Football Club, we aim to raise levels of participation in a healthy active lifestyle, with core programmes focusing on football.

In order to sustain our growth in the West Suffolk area we are looking to attract a number of part time sport coaches to help deliver our wide range of football programmes, which include school holidays, school based sessions and evening sessions.

Preference will be given to those that hold a Level 2 football qualification along with an Enhanced CRB disclosure and awareness of recognised good practice when working with children.

Should this be of interest to you and you feel you can make a positive impact upon young peoples lives, please send your curriculum vitae to Matthew Try at Portman Road, Ipswich IP1 2DA or contact [david.llewellyn@itfc.co.uk](mailto:david.llewellyn@itfc.co.uk)

Looking forward to hearing from you.
